This mega bundle contains six hot erotic stories by Logan Stone. Warning: this collection contains steamy, explicit gay sex.

### Book 1: A Soldier's Submission

How did the man in charge find himself under his subordinate's desk?

Army Major Steven Jackson is unquestioningly in charge. His peers respect him and his subordinates fear him. There is no one that can tame "The Demon Major," as his soldiers call him.

Except for one man.

Behind closed doors, Steve is **submissive** only to **his Sir**. Only *He* can bring him the highs and lows that he can't find anywhere else; only *He* can offer the pain that he wouldn't accept from any other. And when Steve submits to him fully, he understands what it truly means to belong to another.

### Book 2: Keeping the Guys Motivated

Andre is his school basketball team's unofficial mascot, and it's a role that he takes very seriously. But Andre doesn't perform *on* the court. Instead, his work begins in the locker room after the game. Like any mascot, his job is to keep the team satisfied and motivated. And when they lose another game, they're likely to take out their frustrations on him. But he accepts whatever they have to offer. In fact, he looks forward to it.

When he hears the team approaching, he prepares himself for what was coming. He knew it was going to be a long night.

### Book 3: Learning the Ropes

Paul would do anything for that promotion. **Anything**.

Brad has it all- a fancy title, a big office and a paycheck to match. But when he's stuck working late, the **Alpha Male** can't get the release that he so desperately needs. He's just about to take matters into his own hands when his **sexy, young employee** Paul interrupts him to ask for a promotion. Brad sees an opportunity for them to both get what they want, and soon has him **writhing in pain** at his feet and **whimpering for more**.

### Book 4: The (Forbidden) Giver

*That which is forbidden can taste the sweetest...*

Max grew up in a world without sex. It wasn't just that it was unknown- even knowledge of it was entirely forbidden by The Elders.

But when he comes of age, Max is selected to receive the long-repressed sexual memories and desires of his people. And so he meets The Giver- the Elder that he soon comes to call 'Master.' The Giver shows him a world that he never knew existed, and changes his life forever.

Can you ever go back, once you taste forbidden fruit?

### **Book 5: The Thunder between his Legs**

When you belong to an outlaw motorcycle gang, anything can happen.

Nate was the personal property of a ruthless **motorcycle outlaw** and does whatever the man wants, whenever he wants it. That is, until Nate's taken by the **dominating, alpha male** leader of the gang, who wants him for himself!

He learns right away what it means to belong to the gang's leader, and doesn't complain when he's **shared with anyone** who wants him. Nate's about to learn just how much he can take, and what happens when he begs for more!

This work of gay erotic fiction includes a clubhouse full of rough bikers, and a sexy man who is also full of rough bikers.

### **Book 6: Wishing for a Backdoor Man**

What would you do with 3 wishes?

David is a serial collector of small trinkets and antiques who happens upon an incredible discovery - a literal genie in a bottle. He immediately uses his wishes to make improvements to his boyfriend Jason, making him irresistibly desirable and giving him a sex drive to match.

But the one thing David didn't count on was that Jason's newly heightened desires would be left unsatisfied in his absence, and his new looks would mean that wouldn't be a problem for long. By the time he returns home, he finds he's become an unwilling cuckold to the man he loves.

The only question is, will he run from the new role or embrace it?
