Fey is trapped in her third unhappy marriage and has fallen out of love with her husband, Bill. He is unsupportive, suspicious and controlling, but she can't bring herself to leave due to a lack of self-confidence and fear of the unknown. Disgusted with her own body, the perceived imperfections are brought into sharp focus as her fiftieth birthday approaches.

Meeting a man on the internet via a social networking site, Fey begins to harbour thoughts of finding a new love. Her son and best friend can both see the negative affect the marriage is having and show their concern as she struggles with the prospect of mental disorder and against the domineering will of her husband.

Will Fey manage to free herself from Bill's shadow? Will she find the love she deserves? Find out by reading this gripping novel, one that will have your emotions running high as the story unfolds.

Fey is one of many fiction and non-fiction books written by Edwin Page. All are available on Kindle and some are also available in paperback.
