Good Moon Rising

Nancy Garden

Good Moon Rising Nancy Garden

Lambda Literary Award winner Good Moon Rising is about two young women who fall in love while rehearsing a school play, realize they're gay, and resist a homophobic campaign against them. Good Moon Rising, both a New York Public Library Book for the Teenage and a Notable Children's Trade Book in the Field of Social Studies, "takes us into the dynamics of homophobia" (Horn Book). "Garden, who gave us one of the first honest, sensitive portrayals of two young women in love in the brilliant Anne On My Mind, Farrar, 1982, offers us another thought-provoking story of homosexual love."-Voya

From reader reviews:

William Meadows:

What do you about book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Every individual has many questions above. They should answer that question simply because just their can do that will. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this kind of Good Moon Rising to read.

Rosalie Dietrich:

The feeling that you get from Good Moon Rising is a more deep you excavating the information that hide within the words the more you get interested in reading it. It does not mean that this book is hard to understand but Good Moon Rising giving you joy feeling of reading. The copy writer conveys their point in specific way that can be understood by anyone who read it because the author of this book is well-known enough. This particular book also makes your own vocabulary increase well. It is therefore easy to understand then can go along, both in printed or e-book style are available.
