FORBIDDEN!

Something worth fighting for!

Sancha's first instinct was to burn the anonymous letter. Its malicious message couldn't be true: *Do you know where your husband will be tonight? Do you know who he'll be with?*

Sancha adored Mark now as much as when they were first married, even though family life meant that they were no longer so close. She'd never dreamed that her tough, handsome husband would fall into the arms of another woman!

The battle was on—though when Sancha confronted Mark, she discovered that the physical attraction between them was as strong as ever. But she wouldn't let herself be seduced by him.... Not yet!

When passion knows no reason....

FORBIDDEN!
