On Infantry (The Military Profession Series) (Military Profession (Paperback)) John A. English, Bruce I. Gudmundsson

Another volume in Praeger's *The Military Profession* series, this revised edition of the 1984 Praeger classic tells the story of infantry in the 20th century and its impact on the major conflicts of our time. Its purpose is to provide the reader--whether infantryman or not--with hitherto unavailable insights on the role that infantry plays in the larger battle and how that has helped shape the world that we live in today. Unique aspects of the book include the treatment of technical issues in non-technical language, the extensive use of German and French sources generally unavailable to the English-speaking reader, and the shattering of some long-cherished myths. Combat motivation and combat refusal, the role played by small units (such as the squad and fire team), the role of infantry in the Blitzkrieg, and many other issues often papered over in the literature of infantry are discussed and analyzed in detail in this revised edition.

From reader reviews:

Gregory Holloman:

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Together with book everyone in this world may share their idea. Books can also inspire a lot of people. Plenty of author can inspire their own reader with their story or even their experience. Not only the story that share in the ebooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some research before they write with their book. One of them is this On Infantry (The Military Profession Series) (Military Profession (Paperback)).

Jay Blanchard:

Why? Because this On Infantry (The Military Profession Series) (Military Profession (Paperback)) is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the book store hurriedly.

Robert Perkins:

Are you kind of busy person, only have 10 or perhaps 15 minute in your day to upgrading your mind expertise or thinking skill also analytical thinking? Then you have problem with the book as compared to can satisfy your short space of time to read it because pretty much everything time you only find guide that need more time to be go through. On Infantry (The Military Profession Series) (Military Profession (Paperback)) can be your answer as it can be read by a person who have those short spare time problems.

Charlotte Bernstein:

In this period globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The actual book that recommended to your account is On Infantry (The Military Profession Series) (Military Profession (Paperback)) this guide consist a lot of the information of the condition of this world now. This kind of book was represented just how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The particular writer made some exploration when he makes this book. That's why this book ideal all of you.
