## **The Aeschylus** David Barclay

Two hundred and fifty oil workers mysteriously vanish from the offshore Aeschylus drilling platform without a trace. Production stops. Communications cease. The Valley Oil Corporation finds itself on the brink of disaster and prepares to send an investigative team deep into the south Atlantic.

Kate McCreedy, daughter of the late U.S. Vice President, is whisked into a secret board meeting shortly after inheriting a windfall of Valley Oil stock. Her father not only left her his fortune, however, but an envelope containing covert satellite images of The Aeschylus. Believing the images are linked to the developing crisis, she volunteers to join the team.

Upon arrival, they discover the platform is overgrown with a massive, tentacle-like fungus, and the missing workers are nowhere to be found. Kate delves deeper into the mystery, discovering a nearby island, an abandoned military base, and a secret dating back some eighty years.

In 1938, promising young biochemist Dominik Kaminski is abducted by the German secret police as he and his family are about to flee the country. He is transported to the same island Kate will uncover so many years later. There, he is forced to choose between submission to his captors or endangering his family to escape.

The Aeschylus interweaves Kate's story with Dominik's, following each protagonist through a series of harrowing and grisly discoveries. As Kate and Dominik persist, they soon find themselves in terrible danger.

### From reader reviews:

#### **Martha McKee:**

In this 21st millennium, people become competitive in each way. By being competitive at this point, people have to do something to make all of them survive, being in the middle of the crowded place and notice by simply surrounding. One thing that often many people have underestimated this for a while is reading. Yep, by reading a reserve your ability to survive increase then having chance to stand up than other is high. In your case who want to start reading a new book, we give you this kind of The Aeschylus book as starter and daily reading book. Why, because this book is usually more than just a book.

#### **Lydia Baum:**

Reading a guide can be one of a lot of action that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new facts. When you read a guide you will get new information due to the fact book is one of a number of ways to share the information as well as their idea. Second, reading a book will make an individual more imaginative. When you looking at a book especially fiction book the author will bring someone to imagine the story how the personas do it anything. Third, you may share your knowledge to other individuals. When you read this The Aeschylus, it is possible to tell your family, friends as well as soon about your book. Your knowledge can inspire others, make them reading a reserve.

#### **Billy Shaner:**

In this time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. Typically the book that recommended for your requirements is The Aeschylus this e-book consist a lot of the information on the condition of this world now. This particular book was represented just how can the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The actual writer made some study when he makes this book. Honestly, that is why this book ideal all of you.

#### **Hermelinda Anthony:**

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore, this The Aeschylus can make you feel more interested to read.
