The Alcoholic Bitch Who Ruined Your Life: Stories About Love, Death and Rehab Molly McAleer

In this compelling and heartfelt memoir, writer Molly McAleer chronicles the discovery of her father's addiction and subsequent death, how true love saved her life and how she kind of sort of got tricked into going to rehab. She knows you'll probably never believe her side of the story, so she also interviews friends, ex-friends, and her acupuncturist about her history of substance abuse, flailing through her twenties and what kind of person she really is.
