Walking home late one night, Kait is abducted by two dangerous men who threaten to kill her if she doesn't do what they want. Just before the unthinkable happens, Kait is rescued by an enormous gray wolf that jumps out of the shadows to fight the two men. What Kait witnesses next is beyond her comprehension – especially when her wolf savior shifts before her eyes into the form of Tristan, a gorgeous human man.

What happens next throws the two strangers together in a world of danger and uncertainty, with only Tristan to protect them. And through it all, Kait knows she will have to make a difficult choice: will she abandon the only life she's ever known to follow him – and embark on a future in which both their lives are at risk?
