Situation Ethics: The New Morality (Library of Theological Ethics)

Joseph Fletcher

Situation Ethics: The New Morality (Library of Theological Ethics) Joseph Fletcher

Igniting a firestorm of controversy upon its publication in 1966, Joseph Fletcher's *Situation Ethics* was hailed by many as a much-needed reformation of morality--and as an invitation to anarchy by others. Proposing an ethic of loving concern, Fletcher suggests that certain acts--such as lying, premarital sex, adultery, or even murder--might be morally right, depending on the circumstances. Hotly debated on television, in magazines and newspapers, in churches, and in the classroom, Fletcher's provocative thesis remains a powerful force in contemporary discussions of morality.

The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field.
