THE CONVEY EXCEL SERIES

Learning American English for Koreans: Verbs

Volume 1 and 2

English is one of the most difficult languages to learn, but is the most demanded in the global environment in which we live. It is the goal of Convey Education to create the most comprehensive and accurate learning tools to teach English to South Korean speakers. Our books are relevant for use among elementary school to college level courses, and the private and professional market.

Convey Education was founded on the need for an **accurate, comprehensive and user friendly** book series focused on teaching English to South Koreans. The main focus of *The Convey Excel Series Learning American English for Koreans: Verbs Volume 1 and 2* is on the **correct pronunciation of words**, which is commonly the most difficult part of learning the English language for South Koreans.

The major contributing author, Mrs. Younchong Wojciechowski MSAJS, specializes in translation, and has over thirty years of experience as a private tutor. It's this experience and a profound understanding of both the South Korean and English languages that has allowed the author to design a method that successfully teaches English. The book offers the depth of a dictionary with the instructional application of a textbook.

One of the key features of *Learning American English for Koreans: Verbs Volume 1 and 2* is the use of **Hangul**, South Korea's phonetic alphabet, to pronounce the English words. This allows the users to correctly reproduce the correct sounds of the English language without expensive computer programs or having a costly tutor present. Unlike other books that utilize this technique, the writers of The Convey Excel Series meticulously recreated the sounds of English words with great attention to detail.

Another key feature of *Learning American English for Koreans: Verbs Volume 1 and 2* is the use of **multiple English and Korean definitions and sample sentences**. This allows the reader to get a full picture and a complete understanding of the word defined. In choosing the English definitions the author's used only the most commonly used and understood meanings. To further the understanding of the English language, *Learning American English for Koreans: Verbs Volume 1 and 2* include Korean definitions of words used within the original English definitions and sample sentences. The reader is presented with easy reference to words that might not be understood, without having to look them up.

The Convey Excel Series was designed to be more than reference dictionaries. Most translation dictionaries are written in small text and are difficult to read and use as a study tool. Our manuscript is written in **larger text and an easy to read and understand layout**. *Learning American English for Koreans: Verbs Volume 1 and 2* contain over **4,000 of the most popular and widely used verbs of the English language and total about 1,000 pages long**.

The complete Convey Excel Series will cover all eight parts of speech (verbs, nouns, adjectives, pronouns, adverbs, conjunction, interjections and prepositions). Each book of the series increases the ability of the user to understand and apply English.

From reader reviews:

James Jernigan:

What do you concerning book? It is not important to you? Or just adding material when you really need something to explain what yours problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question mainly because just their can do which. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this The Convey Excel Series: Verbs Vol. 1 (A-H) 1 to read.

Jeffrey Cooks:

Spent a free time to be fun activity to try and do! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, likely to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could be reading a book is usually option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of reserve that you should read. If you want to attempt look for book, may be the e-book untitled The Convey Excel Series: Verbs Vol. 1 (A-H) 1 can be good book to read. May be it can be best activity to you.

Carlos Tabor:

Many people spending their time period by playing outside having friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to pay your whole day by looking at a book. Ugh, you think reading a book can actually hard because you have to take the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smart phone. Like The Convey Excel Series: Verbs Vol. 1 (A-H) 1 which is obtaining the e-book version. So , try out this book? Let's observe.

Ronald Ruggles:

What is your hobby? Have you heard which question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And you know that little person including reading or as looking at become their hobby. You need to understand that reading is very important and also book as to be the factor. Book is important thing to increase you knowledge, except your current teacher or lecturer. You will find good news or update regarding something by book. Different categories of books that can you take to be your object. One of them is actually The Convey Excel Series: Verbs Vol. 1 (A-H) 1.
