**One conversation is all it takes to break a world wide open.**

Seventeen-year-old Macy Lyons has been through something no one should ever have to experience. And she's dealt with it entirely alone.

On the outside, she's got it pretty good. Her family's well-off, she's dating the cute boy next door, she has plenty of friends, and although she long ago wrote her mother off as a superficial gym rat, she's thankful to have allies in her loving, laid-back dad and her younger brother.

But a conversation with a boy at a party one night shakes Macy out of the carefully maintained complacency that has defined her life so far. The boy is Sebastian Ruiz, a recovering addict who recognizes that Macy is hardened by dark secrets. And as Macy falls for Sebastian, she realizes that, while revealing her secret could ruin her seemingly perfect family, keeping silent might just destroy her.

*The Fix* follows two good-hearted teenagers coming to terms with the cards they were dealt. It's also about the fixes we rely on to cope with our most shameful secrets and the hope and fear that come with meeting someone who challenges us to come clean.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
