Appropriate for use with any age and ability level, this resource is a valuable tool for therapists, teachers, and parents. This new edition presents an integrated approach to teaching and intervention. It incorporates strategies from recognized models such as SCERTS®, Structured Teaching, and Applied Behavioral Analysis that match the specific needs of each individual. The third edition includes strategies for conducting a comprehensive functional behavioral assessment and developing a positive behavior support system. A CD-ROM with reproducible versions of all forms, some figures, and a collection of sample stories is also new for the third edition of this popular text.
