World War II Adventure: Rotate Into Flight

During World War II, the greatest air battles in the World's history took place over Europe. There were many untold stories of heroism and valour. Rotate Into Flight encapsulates the bravery of many aircrew that fought during World War II, and many of the stories have been inspired by real life missions.

An exciting compilation of historical fiction short stories, featuring wonderful aircraft such as Avro Lancaster Bomber, Supermarine Spitfire & the Bristol Beaufighter.

1. Beaufighter Dawn. The Bristol Beaufighter was a much underrated Fighter/Bomber. Experience a mission into Germany.
2. The Flight of The Valkyrie. We should be grateful this mission into Russia is fictional.
3. The Rhubarb That Went Sour. Intruder raids into Germany circa 1944 were far from easy.
4. The Last Flight of Fighting Sam. Sometimes the odds are just against you. However the human spirit will prevail.
5. The Ferry Pilot and The Doodlebug. A reminder of how ferry pilots played an important roll in WWII.
6. Evade and Escape. Being shot down in WWII was a terrifying ordeal. Share the experience.
7. For Want of a Nail the Shoe was Lost. The slightest mistake can result in the deadliest of consequences.
8. Corkscrew to Port. A father is told that his son is a coward and has committed suicide. Not everything is as it seems.
9. The Luckiest Boy Alive. Growing up near a WWII aerodrome sounds like an exciting environment for a young boy... until something goes wrong.
10. The EMP Attack and The Lancaster. The year is 2019. The future is bleak following an EMP attack and subsequent Chinese invasion. Is the Lancaster Bomber our last hope?
