## **Argentina's Angel** Erich Hackl

Mendoza - a conservative provincial town in Argentina at the foot of the Andes. April 8, 1977 - the last day that Gisela Tenenbaum was seen alive. How does a family come to terms with the fact that their twenty-two-year-old daughter disappeared so many years ago? Was she kidnapped, tortured, murdered? How have her friends and companions fared? Gisi is gone and yet still present. Argentina's Angel tells the story of Gisi's family (Austrians of Jewish origin who fled to South America in 1939) , of her committed struggle against injustice, and of her desperate, underground work for a cause that would ultimately be lost.
