Says the SOUTH BEND TRIBUNE, "This book is worthy of a book rustler." In the tradition of humorist Will Rogers, it takes a look at life through the eyes of the cowboy. It is filled with quips and quotes that represent the Code of the West, like: "Always drink upstream from the herd" and "The easiest way to eat crow is while it's still warm. The colder it gets, the harder it is to swallow."

Henry Ward Beecher said "the common sense of one century is the common sense of the next." That said, these pocket-sized humor books pack quite a bit of punch—lines that is. With more than 1.5 million copies in print, their all-new look will leave a whole new generation in stitches!
