## **Can a Human-Alien Hybrid, Created to be a Weapon, Save us from a Secret War we Don't Know is Coming?**

### *Library Journal eBook Selection*

H.A.L.F. (Human Alien Life Form) #9 is the product of genetic engineering, the union of human and alien DNA. Created to be a weapon in a secret war we don't know is coming, he proved too powerful to control. He has lived for seventeen years in an underground lab, sedated and trained to be a cold-blooded killing machine.

But H.A.L.F. 9 has escaped the lab and the sedation has worn off. He has never been more alive. More powerful. Or more deadly.

Erika Holt is relaxing in the desert with her friends - a typical Saturday night. But a typical night in the desert with friends thrusts Erika into a situation more dangerous than she ever imagined. If she chooses to help H.A.L.F. 9 escape, her fate will become intertwined with his in what will become an intergalactic adventure.
