Alpha shifter Tom longs for an ordinary life. Sick of living under the rule of a tyrannical despot, he has been sneaking off into the nearby human town, seeking the comforts of the modern day world. Tom is quite a different wolf compared to the other alphas of the pack. He is one of the strongest members of the pack, single, and leads the most successful hunting team. Also, he prefers to ravish cute male omegas rather than breed with females, a rare trait within the pack.

Gay college student Brody Nash is on a mission to complete his thesis and finally get his masters. He is also on a mission to have as many hookups as possible in a vain attempt to satisfy his newfound lust. Online, a werewolf named Tom has agreed to let him study his pack for a month. A pack still living in the old ways, a relic of a forgotten age. Brody darts off to North Dakota, eager to meet his handsome guide. What Brody finds is discrimination, xenophobia and a wolf in dire need of companionship.

With mating season just around the corner, and Brody experiencing strange howling urges, will passion erupt between the two men? By letting in this single human, the pack is in for a world of changes.

Howling Omega is a paranormal romance novel featuring gay werewolves, mpreg, pack dynamics, bonding and of course, smoking hot steam. It is standalone with an HEA ending. It is an expanded and re-edited edition of a previously released novella of the same title.
