"I have tried to be as direct as possible. To make your journey a smooth one, the fundamentals have been broken down into short, logical statements. Each idea is numbered, ordered, and clearly stated. For the most part, statements are linked in graded sequence with the easier ones preceding the harder. The format is unique and easy to follow. You should feel yourself learning step by step. You will see how chess players think about their moves. Where desirable, explanation has replaced calculation. The stress is on understanding, not memory and there are plenty of diagrams for almost every idea." - From the Author's Introduction * The purchase of this item also qualifies you to receive ONE (1) FREE 'Thank you' Gifts from LabateChessPlus.
