Skateboarding Coloring Book Magnus Frederiksen

Color the history and style of skateboarding! The Skateboarding Coloring Book contains 60 pages and illustrations of authentic skateboarders to color. Skateboarders from all over the world act as models. Street, ramp, downhill and slalom. The Skateboarding Coloring book lets you color the different styles in skateboarding and the development of the fashion over the past 40 years, from the Californian pole skaters and knee-high socks of the 70s to the relaxed, fashion-conscious Brooklyn skaters of the 2000s and daredevil tricks in Moscow. The Skateboard Coloring Book also offers you the opportunity to make your own board designs. The Skateboarding Coloring Book is perfect for all skaters on rainy days, and anyone who hasn't skated, but has dreamt of it. The Skateboarding Coloring Book lets you get closer to the dream, discover new sides and get ready to take that first step on the board yourself. The pictures in the Skateboarding Coloring Book are inspired by photos taken by skating photographers from the US and Europe, from the 70s to this day.

From reader reviews:

John Olive:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each guide has different aim or maybe goal; it means that reserve has different type. Some people experience enjoy to spend their a chance to read a book. They are really reading whatever they have because their hobby is definitely reading a book. Consider the person who don't like reading a book? Sometime, particular person feel need book after they found difficult problem or maybe exercise. Well, probably you will need this Skateboarding Coloring Book.

Joshua Castillo:

Nowadays reading books become more than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining for example comic or novel. The Skateboarding Coloring Book is kind of guide which is giving the reader unstable experience.

Ruth Davis:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is within the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Skateboarding Coloring Book as the daily resource information.

Ann McLemore:

Some individuals said that they feel bored when they reading a book. They are directly felt it when they get a half regions of the book. You can choose the particular book Skateboarding Coloring Book to make your own personal reading is interesting. Your personal skill of reading proficiency is developing when you including reading. Try to choose easy book to make you enjoy to see it and mingle the opinion about book and reading through especially. It is to be 1st opinion for you to like to open a book and read it. Beside that the e-book Skateboarding Coloring Book can to be your brand-new friend when you're truly feel alone and confuse with the information must you're doing of these time.
