Corporal punishment may be out-of-favor as a method for discipline these days, but there is something to be said about a giving a few well-intentioned smacks on the rounded bottom of a misbehaving young lady of legal age! Especially if said young lady makes the request in writing, in triplicate, and with several highly-aroused witnesses in attendance! It's an all-new Gallery Girls series, this time making an educated study of the art of the upturned bottom! An international array of artists take turns ("Thank you sir! May I have another!") illustrating the fun-filled fantasy of cheek heating! Paddles, sticks, spoons, rulers, bare hands - whatever it takes to get the point across to the offending hindquarter, Spanking Tails will provide instruction!
