Model lessons and engaging activities help students apply research-based reading strategies to informational texts so that they can read and comprehend complex texts. Students will learn these key reading strategies:

- \* finding key details
- \* determining main idea
- \* locating text evidence to support an answer
- \* using text features
- \* understanding text structure
- \* summarizing text
- \* asking and answering questions
- \* and much more!

Armed with these reading skills, students can successfully tackle complex informational texts and really become independent readers. For use with Grades 3-5.
