Academic Language & Academic Vocabulary: A k-12 guide to content learning and RTI Eli R. Johnson

Academic Language & Academic Vocabulary is the perfect book for any teacher, instructional coach, or school administrator who is striving to improve instruction. It contains the general academic language and the domain specific language essential to implementing the Common Core Standards. The book provides strategies that will definitely enhance response to intervention (RTI) and content area instruction. These strategies give students the skills they need to overcome the challenges they face in school. The book contains academic language lists (the mortar) and four content area academic vocabulary lists (the bricks) to help ELL, struggling readers, and any student who wants to succeed academically and prepare for college. The word lists alone are worth their weight in gold for students who lack the essential academic language and academic vocabulary to succeed in school. Learn the strategies and key words that will unlock learning for all of your students.
