Confessions Of A Half-Baked (But Highly Paid) Internet Marketer

How would you like to:

- Embrace your laziness
- Build an automated business
- Change rules in your favor
- Smash your alarm clock
- Forget your fears and flaws
- Enjoy the chronic lifestyle
- Earn the envy of your peers
- Have fun every day

I remember once speaking to a man who was frustrated with his status. He was upset and explained to me how he had worked hard in school, gone to college to get a degree and paid his dues in the corporate world, however, today he is working in a startup for a high school dropout CEO.

Sympathizing with this man I told him my story. I too had worked hard, and paid my dues. After **dropping out of high school** I worked for various companies learning what I liked and didn't like about business. I then worked really hard to build my own business and now I have college graduates working for me.

This is a book about **building your own future**. Whether you enjoy a little weed now and then or not, you will learn how I built my business online, giving me over 5000 mornings without an alarm clock, bosses, investors or crappy clients.

My business makes me money regardless of my personal schedule. I can go to the spa, play Call Of Duty, read, or eat brownies and pass out. Every time I check my accounts there is more money.

It wasn't easy for me to get here. Which is why I wrote this book, to hopefully make it easier for you.
