Do you believe in love at first sight? It's impossible, right?

Peter was definitely not the type to believe in love at first sight. He was too logical for that. But when a mysterious woman named Rina mesmerized him from across the restaurant on his last night in Indonesia, he couldn't get her out of his mind. And Rina didn't even realize that she'd had such an effect on someone.

Peter left Indonesia the next morning without ever having talked to his mystery woman. Could he find a way to meet her? And would she be willing to get to know him?

Have you ever dreamed of falling in love with a stranger while you were traveling in an exotic destination?

Or maybe you've simply dreamed of finding your true love wherever he or she might be.

Separation Blues is a sweet, clean cross-cultural romance that's based on a true story. It will help you understand that true life can definitely be stranger than fiction.
