The Boys from Brazil

Ira Levin

The Boys from Brazil Ira Levin

The classic thriller of Dr. Josef Mengele's nightmarish plot to restore the Third Reich.

Alive and hiding in South America, the fiendish Nazi Dr. Josef Mengele gathers a group of former colleagues for a horrifying project. Barry Koehler, a young investigative journalist, gets wind of the scheme and informs famed Nazi hunter Yakov Liebermann, but before he can relay the evidence, Koehler is killed.

Thus Ira Levin opens one of the strangest and most masterful novels of his career. Why has Mengele marked a number of harmless aging men for murder? What is the hidden link that binds them? What interest can they possibly hold for their killers: Six former SS men dispatched from South America by the most wanted Nazi still alive, the notorious "Angel of Death"? One man alone must answer these questions and stop the killings - Liebermann, himself aging and thought by some to be losing his grip on reality.

At the heart of *The Boys from Brazil* lies a frightening contemporary nightmare, chilling and all too possible.
