Articulate Studio Cookbook Robert Kennedy III

Create training courses with Articulate Studio's strong interactivity and rich content capabilities, all within the familiarity of Microsoft PowerPoint.

Overview

- Complete your courses by creating Flash-ready presentations through familiar PowerPoint
- Employ Articulate Engage, Quizmaker and Encoder to make dazzling interaction, assess learners and add full-motion videos
- Practical recipes to get you moving on a specific activity without the extra fluff

In Detail

More and more companies find they need to build their training courses internally. They are turning to tools like Articulate Studio because it is easy to use and doesn't have a steep learning curve. If you are familiar with Microsoft PowerPoint in any way, you should feel right at home with Articulate Studio.

"Articulate Studio Cookbook" will get you ready to add Articulate Studio to your enterprise toolkit. This book gives you detailed yet simple steps to complete your training course. By following the clear steps in each chapter, you will gain an understanding of the software but also be able to complete specific tasks and common activities.

The good thing about this book is that you can start anywhere and get the information that you need for a specific activity. Cross-references are provided if there is a skill located elsewhere that you need to complete a task.

It can be frustrating to pick up a new piece of software and not know where to begin. With Articulate Studio, there is a whole suite of software to work with. You need to know how to work with Presenter, Engage, Quizmaker and Encoder to make great Articulate courses. Then, you'll need to know how to put them all together in a way that makes a professional looking, cohesive and smooth-flowing course. We'll make it easy to follow step by step until you have a professional course.

"Articulate Studio Cookbook" will help you go from Studio newbie to Studio guru. Dive in and choose your recipe.

What you will learn from this book

- Create a flash-ready course using Presenter and edit your course player
- Include Quizmaker in your courses to provide interaction and assessment
- Record, edit and prepare full-motion video using Video Encoder
- Creatively display interactive and rich content using Engage
- Combine all of the apps in the Articulate suite for a cohesive and engaging course
- Work with images and other multimedia to create a more visually appealing course
- Easily and simply create course elements

Approach

The cookbook style is a series of practical recipes which represent solutions to problems and popular activities in a concise but detailed manner.

Who this book is written for

If you are a beginning developer or just someone who has been asked to be the jack-of-all-design in your training department, then this book is a great starter. Having a working knowledge of PowerPoint is helpful but not essential. By simply following the steps, you will be able to create a clean, professional looking course.

From reader reviews:

Deanna Nance:

The book Articulate Studio Cookbook can give more knowledge and information about everything you want. Why then must we leave the great thing like a book Articulate Studio Cookbook? Some of you have a different opinion about book. But one aim which book can give many details for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or details that you take for that, you are able to give for each other; it is possible to share all of these. Book Articulate Studio Cookbook has simple shape but you know: it has great and large function for you. You can search the enormous world by start and read a reserve. So it is very wonderful.

Norma Harrell:

The ability that you get from Articulate Studio Cookbook may be the more deep you looking the information that hide within the words the more you get thinking about reading it. It doesn't mean that this book is hard to comprehend but Articulate Studio Cookbook giving you buzz feeling of reading. The article writer conveys their point in a number of way that can be understood by anyone who read the idea because the author of this book is well-known enough. This specific book also makes your current vocabulary increase well. Therefore it is easy to understand then can go along with you, both in printed or e-book style are available. We highly recommend you for having that Articulate Studio Cookbook instantly.

Darren Perez:

Reading a guide tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or their experience. Not only the story that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write for their book. One of them is this Articulate Studio Cookbook.

Jocelyn Lee:

Exactly why? Because this Articulate Studio Cookbook is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book possess such as help improving your ability and your critical thinking approach. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.
