Sex is a topic which every married couple appears to have an opinion of. When it comes to its practicalities, couples seem to have some fair knowledge of how to go about it. Given the fact that there is no school that teaches couples how to marry, along with a module on sex, people obtain their knowledge from other sources such as friends, culture and traditions and, in more recent times, books and pornography. This book, Behind Closed Doors: Marital Sex Secrets Laid Bare, is written to inform Christian couples about the importance of sex and intimacy in marriage. This is one of the day-to-day details of life which are often ignored or taken for granted in a marriage. Marriage is a vineyard and lack of information is an animal (little fox) that digs into it. When you lack information about sex as a couple, with time, it becomes a 'little fox' that digs holes and create mess in the marriage, eroding the love and intimacy that already exist, ultimately weakening or tearing it apart. It is important that you are able to catch this 'little fox' that nibbles the roots of your love before it destroys the foundation of the marriage. This book will also equip you with valuable information, as well as supporting biblical quotations and techniques to help you beat the 'little fox' that might rear its head in your marriage. You must make every effort to sustain your marriage and enjoy it to its true potential in a fulfilled way.
