Big City Wild Country East Coast Road Trip on \$20 a Day Jason Odom

Author Jason Odom and his wife Kelly have traveled over 740,000 miles in 21 years enjoying the sumptuous beauty of pristine national parks and the exciting nightlife of big cities like San Francisco, Boston, New York City, and Las Vegas. This latest book is a personal diary style telling of some of what we experienced over the course of 18 weeks slowly traveling 7,532 miles up the east coast from Florida to Maine, through the Great Lakes, and down to Chicago. The key is we did it on less than twenty dollars per day per person, including food, gas, and lodging. For many years we lived and traveled this way with no house or steady job. Many people Vanabode travel forever on a permanent vacation like this. You can too. Our 18-week road trip included more than 69 waterfront attractions and beaches, 129 restaurants, 43 parks, 23 state parks, 24 national parks, 77 museums and art galleries, 4 boat rides, 127 antique, treasure and tourist shops, 39 hikes through rugged pristine wilderness, 5 historical cemeteries, 8 forts, 6 botanical gardens, 47 historical attractions, 8 casinos, and more. Would you like to travel and live on the road long term on a super small budget? This book provides a glimpse of road travel up the impressive east coast, like the New England area, Cape Cod, Washington DC, Boston, New York City, and Chicago coupled with hundreds of small town experiences and dozens of wild rugged outdoor activities along the heavily wooded coastline. This book details what it's like to never get bored on vacation. One day we hike Acadia National Park and another day we wander the streets of New York City. One day we swim naked on a secluded beach in Florida and another day we ferry past the Statue of Liberty. One day we tour the monstrous art galleries of Washington DC, and another day we dodge a thousand inch worms on the Potomac River. This book provides an intimate look at our safe, fun, affordable, modern day road trip, filled with variety, adventure, heartache and romance.
