## **Julie of the Wolves CD** Jean Craighead George

Faced with the prospect of a disagreeable arranged marriage or a journey across the barren Alaskan tundra, 13-year-old Miyax chooses the tundra. She finds herself caught between the traditional Eskimo ways and the modern ways of the whites. Miyax, or Julie as her pen pal Amy calls her, sets out alone to visit Amy in San Francisco, a world far away from Eskimo culture and the frozen land of Alaska.

During her long and arduous journey, Miyax comes to appreciate the value of her Eskimo heritage, learns about herself, and wins the friendship of a pack of wolves. After learning the language of the wolves and slowly earning their trust, Julie becomes a member of the pack.

Since its first publication, *Julie of The Wolves*, winner of the 1973 Newbery Medal, has found its way into the hearts of millions of readers.
