Landon Stone has it all. He's the star quarterback for one of the powerhouse teams in a professional football league, has a beautiful, supportive wife cheering him on, and plenty of money to support him for the rest of his life. In the blink of an eye, it all comes crashing down as every player's worst fear unfolds right in front of his eyes. With nothing left, he finds himself going back to where it all started.

Autumn McCray has lived in the same small town her whole life. Being tormented and bullied throughout high school, she has those constant reminders surrounding her every day. Having put most of those demons behind her, she's forced to confront them once again and find her inner strength in order to move forward.

With Landon and Autumn's paths crossing, they both are faced with obstacles they never imagined they would have to overcome. Will they help each other with their struggles, or be left to tackle them on their own?
