## **The Devil's Birthday: The Bridges to Arnhem, 1944** Geoffrey Powell

Arnhem was the heaviest Allied defeat of 1944 and was the subject of the famous film A Bridge Too Far. Casualties during the battle were appalling; the brave and enduring Dutch people suffered catastrophically in the aftermath and German morale was strengthened at a time of otherwise ebbing fortunes. This new revised edition besides being a superb history is, above all, a record of quite extraordinary courage. It is unlikely to be superseded as the standard work on a bold, gallant, yet doomed, undertaking.
