The Park: Evenstad Media's newest reality show. There are no laws. There are no rules. The only goal is to stay alive. But in Evenstad's arena, things are far from simple. Outfitted with strange new weapons, trapped in the dark, afraid for their lives, it's only a matter of time before somebody takes the first shot.

And all the while, the world watches. Some in disgust, some rapt, but all feeding Evenstad, and all oblivious to the horrors they're helping fund. By the time anyone notices, will there be time to put an end to it? Or will it be too late?
