**The Price You Pay Is Red (Spindle City Mysteries Book 2)** Carlie St. George

“All women are dangerous,” Rose said. “Anyone underestimated is.”

When Jimmy Prince--excessively stubborn gumshoe and maker of terrible life choices--stumbles on the corpse of Spindle City's darling actress and heiress Sarah “Snow” White, he and street-savvy sidekick Jack are once again on a case that threatens to expose ugly truths from Spindle's dark underbelly. Turns out Snow's death is no ordinary open-and-shut case involving something as mundane as a jealous coworker or spurned lover. Her murder points to a much deeper, insidious plot that involves some of Spindle's biggest criminals--as well as some of its greatest, most celebrated citizens.

At stake is a rumored vaccine that could save thousands of lives from the Pins & Needles plague--a disease for which there is no cure, and that has already affected Jimmy's friends and family in irreparable ways. But as Jimmy Prince knows all too well, hope is for saps, and The Spindle is not a city for those who believe in happy endings. Even when they want to, above everything else.
