Deja Review Surgery, 2nd Edition Amit Tevar

"Flashcards in a book" provide a comprehensive yet concise review for the surgery clerkship

Maximum retention in minimum time!

Drawn from the perspective of residents fresh from their medical school and USMLE experiences, these unique "flashcards in a book" help you remember high-yield facts in the least amount of time possible and focus on what is essential for success on the shelf exam and the USMLE Step 2 CK.

- Active recall Q&A boils down must-know concepts for clerkship success
- Clinical vignettes at the end of the book put content in clinical context
- Mnemonics and key words help you focus on core facts
- 100 high-yield images
- Complements larger course books and works well with other type of review books
- Convenient 6"x9" size is great for study on the go

The content you need for clerkship success:

From reader reviews:

Karen Plum:

Have you spare time for any day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a wander, shopping, or went to the Mall. How about open as well as read a book entitled Deja Review Surgery, 2nd Edition? Maybe it is being best activity for you. You already know beside you can spend your time together with your favorite's book, you can better than before. Do you agree with the opinion or you have some other opinion?

Joel Newsom:

Book is to be different for each grade. Book for children until adult are different content. As we know that book is very important normally. The book Deja Review Surgery, 2nd Edition seemed to be making you to know about other knowledge and of course you can take more information. It is very advantages for you. The reserve Deja Review Surgery, 2nd Edition is not only giving you far more new information but also to become your friend when you truly feel bored. You can spend your spend time to read your book. Try to make relationship while using book Deja Review Surgery, 2nd Edition. You never really feel lose out for everything if you read some books.

Bethany Zuniga:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even a concern. What people must be consider when those information which is in the former life are hard to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Deja Review Surgery, 2nd Edition as your daily resource information.

Anthony Bankston:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information from the book. Book is created or printed or descriptive from each source that filled update of news. On this modern era like at this point, many ways to get information are available for a person. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just in search of the Deja Review Surgery, 2nd Edition when you desired it?
