**Doing Insider Research in Universities (Doctoral Research into Higher Education) (Volume 1)** Prof Paul Trowler

Updated for 2016, This book is helpful for anyone who wants to research the higher education institution (HEI\*) in which they are employed or enrolled. It is concise, while still being comprehensive and useful, recognising that people appreciate concision. The book offers guidance on the issues which are specific to insider research in universities as particular types of organizations. Its audience is newcomers to insider research within universities considering doing such a project for professional reasons, for a PhD, or as part of a funded research project.
