Le Boeuf, Le Crabe Et Les Vers de Terre (French Edition) Alain Rene Poirier

Tout commence un de ces putains d'hivers pluvieux. Un de ceux que ces cons de capitalistes nous concoctent maintenant. Ils t'accusent. S'il n'y a plus de saisons, c'est de ta faute. Te montrent du doigt, te stigmatisent, te culpabilisent, expliquent que ta conduite irresponsable deregle le climat. Ils denoncent ta facon de te vautrer dans les plaisirs a effet de serre, de prendre ton pied en pataugeant dans le gaz carbonique, en nageant dans la particule fine... Juste pour te justifier de nouvelles taxes, faut dire que t'as la mamelle tentante comme vache a lait. Ils assurent que tu ne manges que des aliments de pauvres, des trucs immondes bourres des pesticides issus de leurs complexes petro-chimiques, qu'eux meme, a les vomir, ils ne s'y risqueraient pas, de la bouffe qui liberent du methane a la digestion, que t'as le fondement plus productif qu'une cuve a methanisation. Que contrairement a toi et a ta putain de puree de synthese accompagnee de knackis a peau plastifiee, leur caviar Ossetra de chez Petrossian ne les contraint pas a la flatulence des vulgaires. Ne petent pas plus haut que leur cul, ni a sa hauteur, s'en abstiennent totalement."
