Years of hearing people telling me I lived an exciting life prompted me to write my first novel, Love, Loyalty & Dangerous Games. This novel is a picturesque view of my own life lived through a young teenage hustler named Spanky, who ran the streets of New York City during the early 1990's. He, like I was, is a smooth cat that loves women and having fun. Additionally, his charm and charismatic ways earned him the respect and love of everyone around him. But, also, like myself, after being involved in an accident that left him paralyzed, he had plenty of time to reflect on his past behavior. His struggle depicts my own struggle to recover both physically and mentally with the assistance of people who loved him. Spanky later discovered that his accident was not an accident at all. Instead, it was the price he paid for being involved in one of the most dangerous games a young man could play. This novel is filled with drama, suspense and an ending that will leave you wanting more!
