## **Random Thoughts of a Stupid Man** Mike Turnbull

This is my first attempt at writing a book. I have always been told I tell a pretty good story, so I thought I would try to put it to print. I've been told I sometimes master making a short story long and I would like to think a long story short. Random Thoughts of a Stupid Man, is exactly that: somewhat tongue in cheek at times, but definitely random. I call it a memoir with a twist. I have attempted to allow you to wander through my life as I have, ranging from childhood, high school, college and my experiences as a husband, father and coach. Along the way there are several distinct random thoughts sprinkled among the not-so-distinct random thoughts. Points of reference include family and marital relations, parenting, sports from the viewpoint of a player and coach. Being raised in a military family is addressed along with moving all over the country to my dad's various duty stations. There are also some historical references and points of obscure trivia I have picked up in my travels. Men who read this book, I hope will come away empowered with the ability to also admit they to are "Stupid Men". There is no shame in it. The women who read this book, I'm hoping will establish confidence to continue in their quest to train and mold the "Stupid Men" in their lives. We are all trainable, even if only one "smidge" at a time. If any of you do not know what a "smidge" is, contact my wife. I also want to thank, Jansina, at Rivershore Books for giving me a second chance to publish this book. Greatly appreciated!
