## Follow the Pixie Dust Path

FastPass times. Crowds. Meet and greets. That's what you think when you're at Walt Disney World. (And how much everything costs.) Next time, shoot higher. Packed in with all those souvenirs, leave the park with a philosophy, a guide to a better, Disney-driven life.

Former cast member Jeff Dixon draws upon his degrees in sociology and theology, coupled with a deep understanding of Disney history, to deliver a fun, engrossing mash-up of trivia-dense Disney stories and motivational life lessons, from Main Street to Fantasyland, and everywhere in between.

You'll be enriched by motivational magic from little-known Disney stories about:

- The importance of 18 seconds in the Enchanted Tiki Room, and how a lifetime of hard work can pay off in moments.
- Two Walts and a Wendy, and how mistakes can sometimes bring out the best in us.
- The hidden history of Ye Olde Christmas Shoppe in Liberty Square, and how the act of giving defines us.
- The perpetual motion of the Tomorrowland Transit Authority, and how it symbolizes Walt's admonition to never stand still.
