The Story of My Life to Be: The Baby Shower Book Dave Bastien

The Story of My Life to Be is a baby shower activity book that captures the heartfelt words and positive wishes of everyone who attends your baby shower. It engages them in writing a poem and well-wishes that imagine what life holds in store for your little one.

Each page has blank lines for a verse, and lots of space for well-wishes too (for those who aren't as creative with rhymes), as well as lots of fun pictures to color. Together they turn *The Story of My Life to Be* into your baby's first book... filled with love!

The words about what's in store for your little one create a future to look forward to and fill the room with heart-string tugs and humor. Whether it's a few lines of poetry, heart-filled well-wishes, or brightly colored pictures, it all helps create *The Story of My Life to Be!*

After the book is written you can select a few of the best verses or well wishes to read out loud. This part is lots of fun! You'll most certainly hear a chorus or two of "awws", and some laughter too.

The book also becomes a life-long keepsake and a great present to give to your child at a significant life event, like their wedding or the birth of their first child. You can see examples at www.TheStoryofMyLifetoBe.com
