## **Conspiraciones. Breve historia de la conquista del mundo por extraterrestres, judios, masones, elites financieras (Spanish Edition) Julio Patan**

Este libro no habla de las conspiraciones reales sino de las teorías de la conspiración, aquellos complots que cuentan con planes largamente acariciados, resguardados con máximo celo a la espera de ser ejecutados con excelente precisión. Conspiraciones que según la suspicaz mente de sus denunciantes, deben su infalibilidad a poderosas elites que en las sombras trabajan para destruir el statu quo y derrocar las instituciones, todo con el fin de alcanzar un gobierno planetario. En esta breve y paranoica historia de los planes de conquista del mundo, Julio Patan cuestiona la incansable labor del conspiracionista, siempre al acecho para develar una interminable sucesión de intrigas protagonizadas por judios y masones, la CIA, la ONU y el pentagono, extraterrestres, elites financieras..
