Eigenvalues in Riemannian Geometry

Isaac Chavel

Eigenvalues in Riemannian Geometry Isaac Chavel
The basic goals of the book are: (i) to introduce the subject to those interested in discovering it, (ii) to coherently present a number of basic techniques and results, currently used in the subject, to those working in it, and (iii) to present some of the results that are attractive in their own right, and which lend themselves to a presentation not overburdened with technical machinery.
