High school senior Meg revels in being a rebel; cutting class whenever possible and hanging out anywhere she's not supposed to be. Like on a railroad-tracks-covered bridge that's off-limits to trespassers. When she and her friends are busted for trespassing and underage drinking, she's sentenced to spend her spring break riding along with a rookie police officer on his nightshift patrol. But they're about to discover that they have a lot more in common than either one of them could have dreamed and, as they're forced to spend time together, sparks fly and a hot attraction between them becomes undeniable...
