## Money Matters for Kids Larry Burkett

Children need to be taught the importance of stewardship at a young age, but giving them financial advice that's too complex can overwhelm and discourage them.

In *Money Matters for Kids*, financial author and teacher Larry Burkett provides fun and creative tools to help children understand and apply the biblical concept of stewardship. It contains jokes, puzzles, and other fun activities and exercises that make it easy for parents to teach children godly money-management principles.

The time has come for children to know that all we have has been given to us by God and belongs to him. The vision of *Money Matters for Kids* is to provide the tools needed to help children and teens understand and follow biblical principles of stewardship.
