## **Persuacion (Spanish Edition)** Jane Austen

Jane Austen es heredera de los logros de la novela inglesa del siglo XVIII, pero al mismo tiempo crea un estilo nuevo de novela más breve, concentrada e intensa, y exhibe en sus dos últimas obras un dominio de recursos narrativos en la expresión de la interioridad que se adelanta a su época. El realismo económico de Jane Austen, la implicación de sus primeras obras en los debates de la última década del siglo XVIII sobre la naturaleza humana, la familia, las instituciones sociales o la educación de las mujeres, y el reflejo en sus novelas de madurez de las innovaciones y escándalos de la Inglaterra de la Regencia, demuestran que la inteligencia creadora, alimentada por las lecturas y la observación, es capaz de interpretar el mundo desde la mesa de un cuarto de estar. «Persuasión» es la única novela de Jane Austen de la que se puede decir que es básicamente una historia de amor. Todas sus obras cuentan siempre el enamoramiento de una o dos parejas y acaban con la boda de los protagonistas, pero «Persuasión» es la única en la que el interés narrativo se centra en los sentimientos y en la interioridad de la protagonista. Publicada póstumamente, «Persuasión» es la última crónica austeniana del triunfo del amor, la bondad y la inteligencia en un entorno social dominado por la vanidad, la estupidez y el egoísmo.
