Political Change and the Rise of Labour in Comparative Perspective: Britain and Sweden 1890-1920

Mary Hilson

A comparative analysis of social change, democratization, and the development of modern party politics in Britain and Sweden during the period 1880–1930, this book presents the similarities of political changes in these two countries at this time and also in the wider European context, with particular reference to the emergence of social democracy as a political current.
