The Christmas Chronicles: The Legend of Santa Claus Tim Slover

In this new holiday classic, Tim Slover crafts a marvelous, magical novel about how Santa Claus became the man he is today. After reading *The Christmas Chronicles*, you'll believe all over again in the magic of the season.

Snow is falling, and the clock ticks toward midnight on Christmas Eve while countless children, too excited to sleep, anticipate the arrival of Santa Claus. But in Tim Slover's deeply charming and utterly thrilling new novel, that's the end rather than the beginning of the story. In this richly imagined tale of Santa's origins, the man in full finally emerges. *The Christmas Chronicles* is at once an action-packed adventure, an inspiring story of commitment and faith, and a moving love story.

It all starts in 1343, when the child Klaus is orphaned and adopted by a craftsmen's guild. The boy will grow to become a master woodworker with an infectious laugh and an unparalleled gift for making toys. His talent and generosity uniquely equip him to bestow hundreds of gifts on children at Christmas—and to court the delightful Anna, who enters his life on a sleigh driven by the reindeer Dasher and becomes his beloved wife.

Still, all is not snowfall and presents. Klaus will be shadowed by the envious Rolf Eckhof, who will stop at nothing to subvert him. But in the end, Santa's magic is at last unleashed, flying reindeer come to his aid, and an epic battle between good and evil is waged in the frosty Christmas skies.

By turns enchanting, hair-raising, and inspirational, *The Christmas Chronicles* is a beguiling tale destined to become a holiday favorite for the ages.

From the Hardcover edition.
