Discover Your Heart's Desire

A delightful fable about life, about growing up, becoming lost, and finding your way home. Open for interpretation, The Garden allows you to bring your own understanding and meaning to the story.

You are a dreamer awakening in the garden of your birth. Following a well trodden path, you meet and befriend the Flower of Life, and together travel through a magical landscape recapturing the wonderment and transcendent beauty of childhood. To complete your spiritual journey, to discover the secret of who you are, you must follow your heart's desire and discover it takes greater courage to let go and free your soul than to hold on.

"It is the beautiful illustrations of sacred geometry woven into Celtic patterns and nature's gifts that makes this little book really special. The reader is taken through a love story of the soul and I could not help but think of that other great poem of love by Khalil Gibran, The Garden of the Prophet, as I read through these pages. This is a book to languish over in the quiet of your mind and can be used as an excellent tool for inspiration, illumination and opening of the heart." --Elizabeth Peru, Insight Publishing
