## **Tracing Stars** Erin E. Moulton

A charming novel about sisterhood, self-identity, and friendship from the author of *Flutter*

Indie Lee Chickory knows she's not as cool as her older sister Bebe. Bebe has more friends, for one. And no one tells Bebe she's a fish freak, for two. So when Indie accidentally brings her pet lobster to school, makes a scene, loses him in the ocean and embarrasses Bebe worse than usual, she makes a wish on a star to become a better Chickory. She tries to do this by joining the stage crew of the community's theater production, *The Sound of Music*. (Bebe has a starring role.) But Bebe is worried that Indie will embarrass her again, so she gives her a makeover and tells her who she should be friends with. That means Owen is out. But he's fun and smart, so Indie keeps her friendship with him a secret. At night, Indie and Owen rebuild a tree house into a ship in the sky to catch Indie's pet lobster. But during the day, Indie has to hide her friendship with Owen.

When things come to a head, Indie realizes that being true to yourself is more important than being cool. But what's even more surprising is that Bebe realizes it, too.
