Crazy Stupid Obsession

A Bad Boy Romance Novel

Gavin Porter...

Now that's a name I wish I never had to hear again.

In just one night he managed to turn my entire world upside down.

I'm determined to move past it.

But life doesn't always cooperate, especially when my roommate is now shacking up with his best friend. If he thinks his boyish charm and crooked smile are enough to make me forget, he has another thing coming.

The heart is a fragile thing. I have no intention of putting mine back in the hands of a man hell bent on seeing how far it will bend before it finally breaks.

Crazy Stupid Obsession is the second of three standalone novels in the Crazy Love series.

This novel is intended for mature audiences and NOT recommended for readers under the age of 18.
